Philosophy: The purpose of BYSA is to provide the community of Bartlett a league for the adults and their children to learn to play the sport of soccer. BYSA will award a medal to each player at the end of the season.

The Teams: The ideal number of players on a 7-a-side team is twelve. The number of players per team is dependent upon the number of players registered and the number of parent volunteer trainers.

Practice: Teams in the Division Coed group will practice at the same time at **Barlett Blvd Soccer Park**. You should receive information through email instructing you where at the complex to meet the rest of your team. If you have not received information by the first listed date, come to the first practice and we will direct you where to go. The dates and times for practices/matches for the entire season (match times will be scheduled once the number of teams have been determined) are as follows:
